29th ANNUAL

A Portion of Proceeds helps benefit St. Vincent de Paul, a Collier County 501 (3) (c)

St. Vincent de Paul Naples operates the largest privately funded Meals on Wheels program in Collier County, delivering nearly 50,000 meals annually to homebound, infirm, or nutritionally at-risk seniors and disabled neighbors. The program receives no government or Catholic Church funding, and meal recipients are never charged. Volunteer MOW teams provide far more than nourishment—they offer companionship, conversation, and comfort. For many recipients, the daily visit is their only personal interaction.

Beyond Meals on Wheels, SVdP NAPLES provides financial, food, and furniture assistance, along with life-skills classes focused on budgeting, credit management, and employment readiness. In 2025, SVdP NAPLES delivered targeted assistance valued at \$2.4 million, impacting more than 42,500 Collier County seniors, adults, and children.
